I do think ORC should be at that meeting. In fact I was thinking Julie Matthews and Dean Ingemansen should be invited. I'm going to forward the invite to them and let them know I have a conflict. My guess is they will want to have me there. Be best if possible to reschedule for when I can attend.

Hi Andy, I think that will be okay if you cannot make it on the 10th. It will be important to have you there on the 2nd where we will be talking things out more and trying to make some decisions.

I hope you have a very Happy Thanksgiving!!
